

SUPERIOR-GREENSTONE DISTRICT SCHOOL BOARD

Section

4.2 Third Party Provided

In some instances, the in-service training will be provided by an external agency or group. The level of participation for Board employees will be as determined by the appropriate senior administrator or Manager.

4.3 Conferences & Workshops

Activities provided beyond the boundaries of the Board by a third party will be considered but will involve limited participation when distances and costs are involved. Generally, this is not the preferred method for In-service delivery.
